

**George uses a telescope to count the stars.  
Help him find the stars the same shape as the yellow one.  
Color them in yellow too.**

**Circle how many five-point stars there are.**

**1 2 3 4 5 6 7 8 9 10**

**Circle how many six-point stars there are.**

**1 2 3 4 5 6 7 8 9 10**

**Circle how many stars there are altogether.**

**1 2 3 4 5 6 7 8 9 10**
