ACKNOWLEDGMENTS

This book wouldn't be possible without my family, who have always supported my dream of becoming a published author, who read my stories even in the early days of my writing journey when I'm sure it was torture, who brainstormed and summarized and shared ideas with me, and who are as excited about this book as I am. Sara and Barbra: Does this good news mean our family curse is finally broken? Special shout-out to Amya who drew the first map of Naira's world! And to Shyla: you got your printed copy—no more excuses.

I can't forget my writing group: Hannah, Danielle, Adelle, Denise, and Miranda—thank you! Each of you has given me feedback and advice and cheered me on, and I am so glad that I can count on you to steer me in the right direction.

A very special thanks to my very special friend Hannah—this book would not be possible without you. You have no idea how much I appreciate you and how often I think about how your sending me an Instagram post led to my dream coming true.

I must thank everyone at Inkyard Press, from my editor, Claire Stetzer, to cover designer Kathleen Oudit to cover artist Hillary Wilson to everyone else who worked on my book and made this all possible!

Of course, I have to thank Claire Friedman at Inkwell for being my champion throughout this process! When I realized

my agent and editor have the same first name and that they work at similar-sounding companies, I knew this was kismet.

And to Little Cat, Grady, Stripe, Rocky, Bully, and now Martha—thank you for all the purrs.
