

A NETFLIX ORIGINAL SERIES

CARMEN SANDIEGO™

NETFLIX

V.I.L.E., an ultra-powerful league of villains, is planning a heist in Africa.

Only one villain is the thief, the rest are decoys. Player is gathering intel about who is committing the caper. Follow his clues to pick the right villain and send Carmen there to stop them.

HMH

Fun Fact:

Archaeologists have discovered ancient stone tools in this country.

Cross out the villains that don't match these clues:

- They are in a country that touches an ocean or a sea.
- They are not on an island.
- They are north of the Equator.
- They are in a country that starts with a vowel.

1. El Topo is in **South Africa**
