Make a paper snowflake!

1. Have an adult help you make a copy of the circle with dotted lines below.
2. Ask for help cutting the circle out.
3. Fold the circle in half along one of the dotted lines. Then fold the semicircle in half along the other dotted line.
4. Now use your imagination! Cut small pieces of paper out of the wedge.

When you are done, unfold the paper and you will have a beautiful snowflake!

Help George sled down the hill to the finish line!

Start

Use one coin as a place marker.

Use the other to flip.

If it lands on tails, move one space.
